

STRATEGIC PLAN

VISION

The vision of the Australian Coalition of National Nursing & Midwifery Organisations is to be an influential alliance improving health and wellbeing through the professions of nursing and midwifery.

OBJECTIVES

In order to achieve its Vision, the Coalition of National Nursing & Midwifery Organisations will:

1. Promote recognition of nursing and midwifery as essential to the health and wellbeing of the Australian Community
2. Provide national leadership in debates on health and public policy
3. Be a forum for discussion and consultation on professional matters
4. Facilitate communication between member organisations and other stakeholders
5. Be a primary conduit for access within and to the nursing and midwifery professions
6. Assist the development of governance and capacity of member organisations
7. Remain robust using principles of good governance
