

# National Nursing Workforce Strategy

## Consultation Workshop

6th Australian Nursing and  
Midwifery Conference

Newcastle  
5 May 2023

What is the National Nursing  
Workforce Strategy?

Why do we need a Strategy?

How is the Strategy being  
developed??

## The global context

Global human resources for health

The WHO Global Strategic Directions for Nursing and Midwifery (2021–2025)

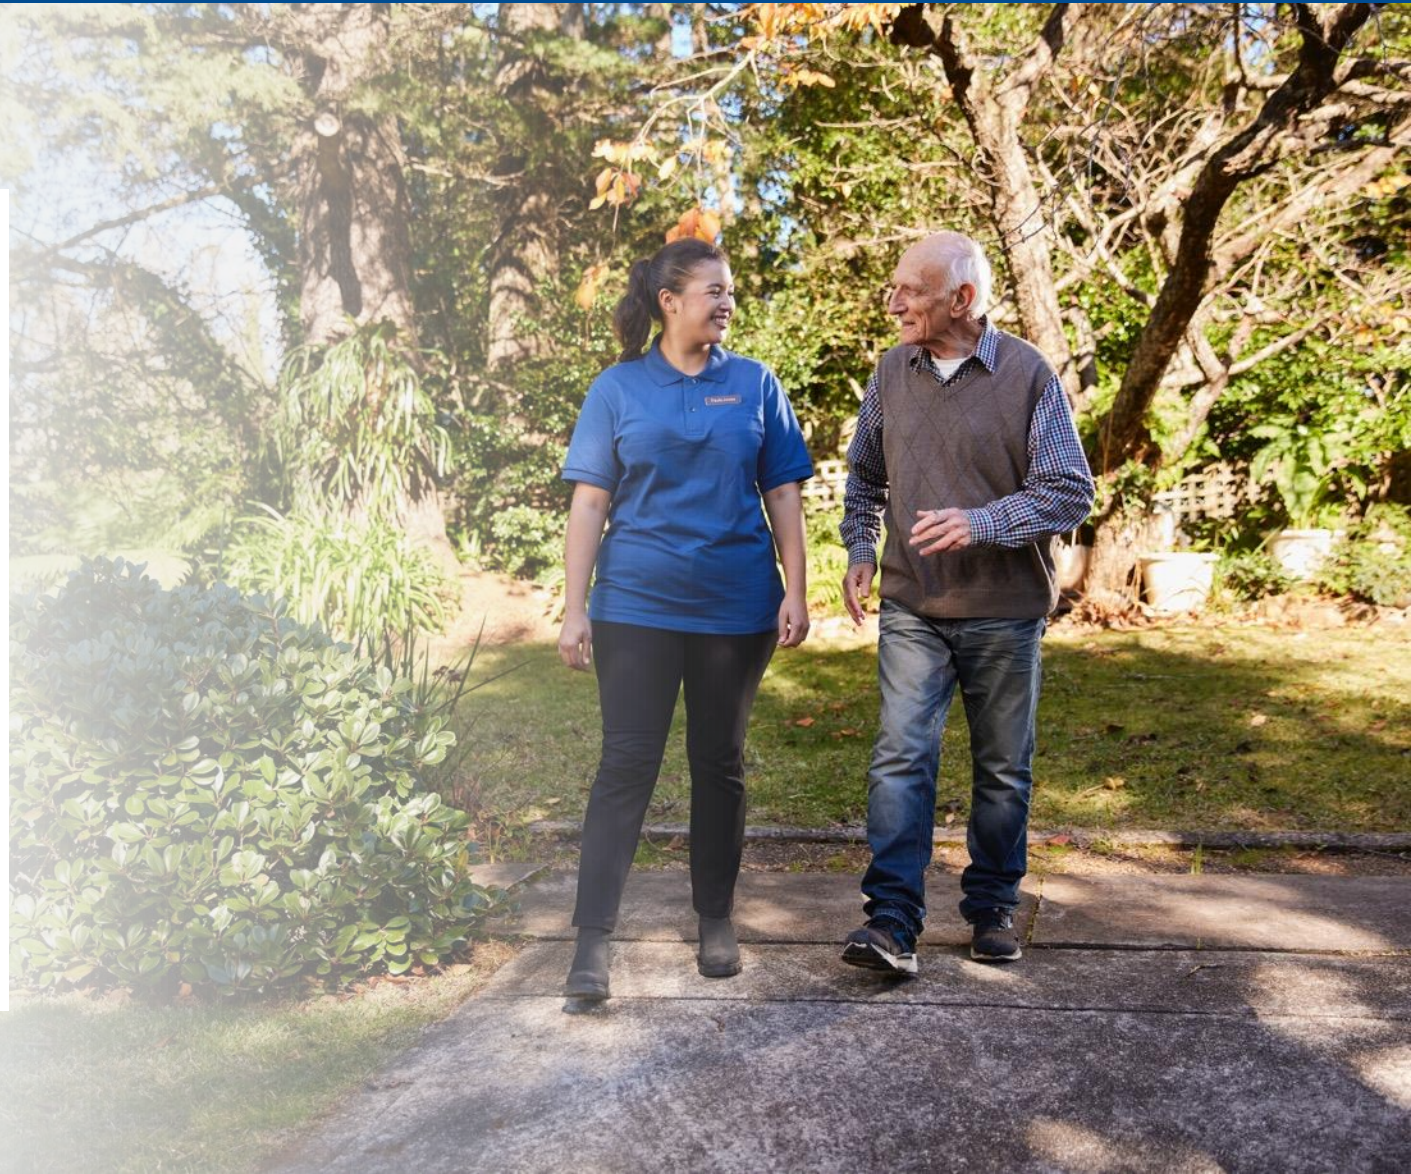

## Current work

Nurse Practitioner Workforce Plan

Supply and demand study

Strengthening Medicare Taskforce

## A little more detail on how we are developing the strategy

- Consultation
- International environmental scan
- National environmental scan
- Gap analysis
- Draft Strategy
- Consultation
- Finalisation
- Endorsement

# What we've heard

- Exhaustion
- Burnout
- Occupational violence
- Scope of practice
- Technology
- Data
- Consumer Co-design
- Models of care
